VCTC Intercity Makes Updates to Schedules Due to “Stay Well at Home” Order

Four of six lines will operate during the week using weekend schedule

Ventura, Calif. – The Ventura County Transportation Commission (VCTC), will make updates to its Intercity schedules due to COVID-19 and the recent “Stay Well at Home” order. Changes will go into effect on Thursday, March 26, 2020 for four of six lines. Lines will operate during the week (Monday – Friday) using the regular Saturday/Sunday schedule. Updated schedules can be found at goventura.org and changes are listed below:

- Highway 101 – Will run on a “Saturday” Schedule Monday- Saturday
- Highway 126 – Will run on a “Saturday/Sunday” Schedule Monday – Sunday
- East County – Will run on a “Saturday” Schedule Monday – Saturday
- Channel Islands – Route 99 will continue running on a “Saturday/Sunday” Schedule Monday – Sunday

“We have made a conscientious decision to reduce service on four Intercity lines to help reduce operational costs amid declining ridership while also ensuring we serve our role as public transit service to our residents who need to make a necessary trip. We will continue to monitor the situation closely and make further schedule modifications as needed,” said Darren Kettle, VCTC executive director.

Two lines will operate on a regular schedule: Cross County Limited (Route 77) and Coastal Express.
