In Brief

Two Station Closures on the Expo Line

As of June 22, two stations on the Metro Expo Line are out of service for 60 days between 7th St/Metro Center and LATTC/Ortho Institute Station.

No Expo Line service will be available between these stations due to construction on the area of track it shares with the Blue Line, which is being renovated.

To replace rail service during the closure, Metro is offering bus shuttles.

For more information **and a list of shuttle service**, visit metro.net/newblue.

Fame & Prizes

Do you commute to or from the Inland Empire? Just sign up and log eight rideshare trips in a month on an online Commute Diary at **IECommuter.org**.

You'll automatically be entered into a sweepstakes to win a monthly prize valued at up to \$100. You'll also get the opportunity to tell your story in the **Spotlight Hall of Fame**.

Each trip counts as a sweepstakes entry, so any additional trips are extra chances to win.

Free On-Demand Shared Ride from Metrolink Stations

If you ride Metrolink to/from the Burbank Airport-South, Burbank-Downtown and El Monte stations, you can now use the **Via on-demand shared ride hailing service** for free to complete your trip.
