Reimagine Your Commute

Rideshare Oct. 7-11 for a Chance to Win Great Prizes!

Join the thousands of commuters who will leave the solo drive behind and share the ride during Rideshare Week, Oct. 7-11.

Southern Californians on average spend 80 hours a year stuck in traffic tie-ups. Imagine being able to leave driving up to someone else—whether you carpool, vanpool, ride bus/rail, or even skip the drive altogether by biking or walking.

Find a Carpool, Vanpool or Bus/ Train Route

Get set for Rideshare Week by visiting ridematch.info, IECommuter.org or calling 511 to get a list of potential carpool partners, vanpools, or a route on bus or rail.

Make the Pledge, Win Prizes.

When you rideshare to work at least one day during Rideshare Week, you'll have a chance to win prizes. Here's how:

Los Angeles County—Log in to use the Metro Commute Calendar at ridematch.info and register how you get to work each day to win a weekend getaway, gift cards and more prizes. The more times you share the ride, the more chances you have to win.

Orange County—Go to octa.net/RideshareWeek to make the pledge to rideshare to qualify to win an Apple Watch or FitBit, among other prizes.

Riverside/San Bernardino Counties—Win any of more than 275 prizes including vacation packages, electronics, gift cards and more by filling out a pledge card at work, online at IECommuter.org or send a pledge by email to rideshareweek@IECommuter.org.

Ventura County—Pledge to share the ride at goventura.org.
