Project Description:							
Montclair Active Transportation Plan							
Sub Project Comment: The City of Montclair proposes to develop a city-wide Active Transportation Plan (ATP or Plan) to formalize active transportation goals and objectives, and to develop a prioritized list of biking and walking projects within the City. Specific emphasis will be placed on pedestrian/bike projects surrounding the planned North Montclair Regional Transit Village, a half-mile area around the Montclair Transcenter (future terminus of the Metro Gold Line) that will also contain a mixed-use transit neighborhood combined with the Montclair Place, a regional destination.

Project Description:							
San Gabriel SRTS Plan							

Sub Project Comment: The development of the San Gabriel City Safe Routes to School Plan is intended to guide the implementation of a comprehensive network of safe streets for students. The Plan will provide a vision to improve conditions for non-motorized forms of travel throughout San Gabriel City schools to create safe, accessible connectivity. The Plan will combine planning efforts with pedestrian safety education to promote and increase multimodal travel for all ages and levels of ability.

Project Description:						
Soboba Indians (San Jacinto) AT Plan						
Sub Project Comment: Soboba's ATP goal is to increase safe walking & biking among residents and visitors in the reservation. Currently, no sidewalks or bike lanes exist on the reservation. The ATP will identify infrastructure and policy gaps and develop a comprehensive AT funding, infrastructure prioritization, and implementation strategy. The ATP aligns with WRCOG's NMTP, San Jacinto's TMP, and will expand sub-regional connectivity to schools, adjacent cities, San Jacinto River, and De Anza trail.
