

Ventura County Transportation Commission

Legislative Update April 2022

Gov. Newsom Relief Package Proposal

Overview – Gov. Gavin Newsom has released an \$11 billion relief package intended to help Californians facing higher gas prices. The proposal has six components.

- ❖ \$9 billion for tax rebates sent to registered vehicle owners in California.
- ❖ \$750 million in incentive grants to local transit and rail agencies to offer free fares.
- ❖ Pause on the gas tax increase scheduled for July 1.
- ❖ Pause on a portion of the sales tax rate on diesel.
- ❖ \$500 million for Active Transportation Program projects.
- ❖ Accelerate \$1.75 billion of the governor’s \$10 billion zero-emissions vehicle proposal.

Thank you
