### **VCTC Invites Community Members to Share Transportation Priorities**

The Ventura County Transportation Commission (VCTC) is asking community members to share their transportation priorities by filling out a short online survey. The survey is available in English and Spanish and will be open through June 11. Community input provided through the survey will inform the Ventura County Comprehensive Transportation Plan (CTP), a document that will plan for transportation in Ventura County over the next 30 years. Everyone who responds by June 11 will be entered to win a \$50 gift card.

Survey in English:

In September 2021, VCTC began an update of the Ventura County Comprehensive Transportation Plan (CTP). The CTP will look at various modes of transportation and mobility, including walking, biking, public transit, airports and more.

### **Additional ways to get involved**

Ventura County residents can also [sign up](#) to receive information about the project.
