**VCTC Invites Public to Share Ideas on How to Improve Bus Service**

CAMARILLO, Calif. – The Ventura County Transportation Commission (VCTC) invites the public to attend an Unmet Transit Needs community listening session or public hearing to let local government leaders hear ideas to improve bus service in Ventura County.

VCTC will host three community listening sessions and a public hearing to give community members the opportunity to tell VCTC what can be done to improve public transit and to help residents get where they need to go.

The purpose of the sessions is to identify transit needs that are not currently being met and are reasonable to meet in the cities of Camarillo, Fillmore, Moorpark, Santa Paula and Thousand Oaks and in adjacent areas of unincorporated Ventura County.

The listening sessions are scheduled to be held on the following dates and times:

- 6-7 p.m. Thursday, Jan. 12, at the Fillmore Library Innovation Lab, 502 Second St., Fillmore;
- Noon to 1 p.m. Thursday, Jan. 19, on Zoom. A link to the virtual meeting, the meeting ID and password are available at [www.goventura.org/unmet-transit-needs](http://www.goventura.org/unmet-transit-needs);
- 6-7 p.m. Wednesday, Jan. 25, at the Camarillo Public Library, 4101 Las Posas Road, Camarillo

The public hearing is scheduled to be held at 9 a.m. Friday, Feb. 3, at Camarillo City Hall Council Chambers, 601 Carmen Drive in Camarillo.

Those unable to attend the listening sessions or public hearing are encouraged to fill out an online survey or submit a comment at [www.goventura.org/unmet-transit-needs](http://www.goventura.org/unmet-transit-needs).

**About the Ventura County Transportation Commission**

The Ventura County Transportation Commission is the regional transportation planning agency committed to keeping Ventura County moving. Program information is available at [goventura.org](http://goventura.org).
