

VENTURA COUNTY COMPREHENSIVE TRANSPORTATION PLAN

The Ventura County Comprehensive Transportation Plan (CTP) is a long-range planning document prepared by the Ventura County Transportation Commission (VCTC) that plans for the future of transportation in the county over the next 20-30 years.

We Want to Hear From You!

The draft CTP is available for review at www.goventura.org/CTP.

Please fill out the comment form online or send comments and questions to CTPupdate@goventura.org by **Wednesday, January 10, 2023.**

AN OVERVIEW OF THE COMPREHENSIVE TRANSPORTATION PLAN

Goals of the CTP

- Balance transportation and land use
- Reduce emissions and improve sustainability
- Foster economic prosperity
- Improve multimodal mobility choice and access to destinations
- Improve design to eliminate traffic deaths and improve safety

CTP Project Highlights

The CTP presents three scenarios to provide maximum flexibility based on availability of funding over the next 20-30 years.

SCENARIO A - Currently funded projects

- **Highway/Roadway** - Freeway and highway safety projects
- **Bus Transit** - Bus purchases and replacements, Facility upgrades
- **Rail** - Camarillo pedestrian underpass, Simi Valley double track, Seacliff siding
- **Active Transportation** - New pedestrian/bike facilities throughout Ventura County

CTP Project Highlights (continued)

SCENARIO B - Assumes new funding for additional projects

- **Highway** - Capacity improvements, such as US-101 High Occupancy Vehicle (carpool) lanes
- **Roadway** - Hueneme Rd. Improvements; Rail corridor grade separations
- **Bus Transit** - Expand zero-emission bus fleet; Build a Downtown Ventura Multimodal Transit Center; Introduce Bus Rapid Transit/Express Bus Service on US-101, Oxnard Blvd, and SR-126
- **Rail** - 30-minute Metrolink service frequency from LA Union Station to Moorpark; Improve rail corridor safety with fencing and crossing improvements
- **Active Transportation** - 115 miles of new bike paths and additional protected bike lanes

SCENARIO C - Includes projects without identified funding

- **Highway** - Interchange improvements at several locations along US-101
- **Bus Transit** - Additional countywide bus service expansion
- **Rail** - Double track the rail corridor from Simi Valley to Moorpark; Seacliff curve realignment; Second passenger platform at Oxnard Station
- **Active Transportation** - New protected bike lanes on several regional roadways; New off-street bike paths along the Santa Clara River, Ventura River, and Santa Paula Branch Line
