

1. Will VCTC confirm if there is a preferred font type or size for the proposal?

A: No there is no preferred font type or size for the proposal.

2. The two links listed in the 6th bullet point on Attachment A (page 10) direct us to “unavailable” webpages. See references below:

a. “Proposition 1B compliance requirements (including but not limited to Section 14 see

http://www.dot.ca.gov/hq/transprog/ibond/ptmisea_guide_and_application_3_6_08.pdf” and

b. A: The websites were updated after the RFP was issued, causing the links originally provided on the RFP to route incorrectly.

The new link for Proposition 1B is: [Public Transportation Modernization, Improvement, and Service Enhancement Account \(PTMISEA\) Guidelines \(ca.gov\)](#). Please continue to check the State’s website for updated information.

3. On page 10, it states that the reports will include, but not be limited to, “Schedule of Status of Fund by Project for Article 3 and State of Good Repair (SGR) audits.” FYI - We also include the Schedule of Status of Fund by Project for the STA audits.

A: Page 10 reporting requirements should also include, but not be limited to, for STA audits, a Schedule of Status of Fund by Project as applicable.

4. Will VCTC confirm if the proposal should say that there is no new Prop 1B funding being provided to agencies and that Simi Valley’s Prop 1B funds were to be utilized by June 30, 2023?

A: At this time, VCTC is unaware of any new Proposition 1B funding and Simi Valley is the only agency that still has Proposition 1B funding to expend and be audited. The Simi Valley Proposition 1B audit has not been completed at the time of the RFP issuance and VCTC is not aware of any additional extensions at this time.

5. Under General Proposal Requirements (page 6) it states that facsimiles, emails and electronic media shall NOT be accepted as submittal of printed copies. But can we email you the electronic copy of the proposal, in addition to sending you the electronic copy via usb?

A: The proposal should be submitted as five (5) printed copies with an electronic pdf copy via usb.
