**Ventura County Transportation Commission Invites Public  
to Provide Feedback on Transit Priorities**

The Ventura County Transportation Commission (VCTC) is developing a Short Range Transit Plan (SRTP) on behalf of eight of the county's public transit operators. The Ventura County Short Range Transit Plan (SRTP) will serve as a guiding document for VCTC and these operators for the next ten years.

The SRTP will identify the status and outlook of transit service in the region and the impacts of varying levels of transit service funding for Camarillo Area Transit, Kanan Shuttle, Moorpark City Transit, Ojai Trolley, Simi Valley Transit, Thousand Oaks Transit, Valley Express, and VCTC Intercity.

VCTC is seeking input from the community to understand their priorities for transit in the county and preferences for improvements. Please complete the short survey by visiting the following link: [www.goventura.org/srtp](http://www.goventura.org/srtp).

The survey will be open March 25<sup>th</sup>, 2024, through April 19, 2024. People who complete the survey can enter a drawing for one of two \$100 Visa gift cards. The survey is available in English, Spanish and Chinese.

For more information and to learn about the SRTP process, please visit [www.goventura.org/srtp](http://www.goventura.org/srtp).

## **About the Ventura County Transportation Commission**

The Ventura County Transportation Commission is the regional transportation planning agency committed to keeping Ventura County moving. Program information is available at [goventura.org](http://goventura.org).
