VCTC invites public to join meetings, hearing on unmet transit needs

CAMARILLO, Calif. – The Ventura County Transportation Commission (VCTC) invites the public to share ideas about how to improve bus, paratransit, dial-a-ride, on-demand and rail service in Ventura County.

VCTC will host in-person and virtual community meetings in January and a public hearing in February as part of its annual unmet transit needs process. Each meeting is an opportunity for people to let local transit operators and government leaders know what can be done to improve transit in the county.

The meetings are intended to identify transit needs that are not currently being met and are reasonable to meet in Camarillo, Fillmore, Moorpark, Santa Paula, Thousand Oaks and adjacent areas of unincorporated Ventura County.

The community meetings are scheduled for the following dates and times:

- 6 p.m. Jan. 12, Grant R. Brimhall Library, 1401 E. Janss Road, Thousand Oaks;
- Noon Jan. 15, virtual. Link at goventura.org/unmet-transit-needs/;
- 6 p.m. Jan. 20, Fillmore Library, 502 Second St., Fillmore;
- 6 p.m. Jan. 21, 2026, Camarillo Library, 4101 Las Posas Road, Camarillo

Public hearing

- 9 a.m. Feb. 6, Camarillo City Hall, 601 Carmen Drive, Camarillo

People who cannot attend the meetings can share their input through an online survey at goventura.org/unmet-transit-needs/. The survey is available in English, Spanish and

Mandarin. Comments can also be emailed to transit planner Dolores Lopez at dlopez@goventura.org or shared by calling 805-642-1591, ext. 117. For more information about the Unmet Transit Needs process, visit goventura.org/unmet-transit-needs/.
